Tables

The Geometric Collection from BassamFellows celebrates the sublimity of pure geometry championed by the Wiener Werkstätte and the Bauhaus. The Geometric Dining Table is BassamFellows' first pedestal table. It features a nanoceramic coated tubular steel base formed from a collection of radiating postal elements mechanically fixed and cinched together with wrapped leather. The leather wrapping conceals all mechanical joints forming a signature element that runs through the Geometric Collection. The top is veneered wood with a carved, solid wood edge. The veneer radiates from the center highlighting the design's overall geometry and the importance of linearity and architectural draftsmanship inherent in BassamFellows' work.

CB-464 Geometric Dining Table

W 61", 155 cm
D 61", 155 cm
H 28 3/8", 72 cm
T 1", 2.5 cm

Wood:
Ash Veneer with
Solid Ash Edge
Oak Veneer with
Solid Oak Edge
Walnut Veneer with
Solid Walnut Edge

Finish:
Ebonized black lacquer
on Ash or bleached, white
pigment, matte acrylic on
Ash. Raw effect lacquer on
Oak. Hand rubbed natural
oil on Oak or Walnut,
or hand rubbed black oil
on Walnut.

Top:
Wood veneer with solid
wood edge.

Base:
Tubular steel with smoke
powder coat finish, or satin
nickel, satin brass, bronze,
gunmetal, or custom
metal nanoceramic coated
tubular steel.

Nanoceramic coated steel is a more durable and environmentally improved alternative to traditional metal plating where nano particles of metal are mixed with resin and sprayed onto the metal surface versus being placed in a chemical bath.

Additional colors available. Minimum and upcharge may apply.
